

Department of Earth and Planetary Sciences  
mid-honours report form: Student.

The student is requested to complete the form and return to the EPS Honours convenor. This report will be treated as confidential.

**Student:**

---

**Supervisor:**

---

**Project title:**

---

Please provide comments on the following:

- 1. Describe your progress with your Honours candidature.** *(eg. If you were to undertake fieldwork, have you? Have you completed a literature review? Have you completed a preliminary geochemical analysis? Have you successfully extracted fossils? Have you acquired your regional and ground geophysical data? Have you completed preliminary modelling or evaluation or interpretation of your data? Have you started your coursework?)* **Have the results obtained so far caused you to change or re-evaluate your goals?**

**2. Are there any aspects of the study where progress has been slower than expected? If so, please indicate the reasons for this.**

**3. Please provide a timeline for the remainder of your candidature (attach an extra page that has been signed by your supervisor).**

**4. Do you want to raise any other issues that may have an effect on your timeline?**
